Marking: The packaging shall be marked in a clear and permanent way:

29L:

4H2/Y8/S/YY/DK/ETi-11006/Holder or logo

21L:

4H2/Y8/S/YY/DK/ETi-11006/Holder or logo

10L:

4H2/Y4/S/YY/DK/ETi-11006/Holder or logo

YY: to be replaced with the two last digits of the year the packaging is manufactured.

**Basis for
the Type
Approval :**

Test report	Date	Issued by	Scope
460235	20 December 2011	Danish Technological Institute	Type testing
684595	26 February 2016	Danish Technological Institute	Type testing
939213	7 September 2020	Danish Technological Institute	Type testing
971546	19 March 2021	Danish Technological Institute	Type testing

The test showed that the packaging complied with test requirements for packaging type 4H2 according to ADR/RID, ICAO and IMDG. The test is performed for solids. The Packaging is approved in packing group II and III to 8 kg for 29 litres, 8 kg for 21 litres and 4 kg for 10 litres.

Validity: The Type Approval is valid for road, rail, air and sea transport according to the agreement referred to below. **The Type Approval is valid until 19 March 2026.**

Conditions for maintenance of the Type Approval: Agreement for periodical control is formed between the holder of the Type Approval and the Danish Technological Institute, Plastics and Packaging Technology. The copy of the Type Approval must, if necessary, be shown to secure that the packages have been tested and approved.

**Agreement of
the Type
Approval:**

Referring to authorisation from the Danish Emergency Management Agency, the Danish Transport, Construction and Housing Authority and the Danish Maritime Authority, Authorization no 2012006595, concerning the above-mentioned form(s) of transport, the Danish Technological Institute, Plastics and Packaging Technology herewith issue the Type Approval of the above-described packaging.
